## FCCNH 2022 ELDER MEDITATIONS

### INTRODUCTION

Rev. Dr. Jonathan B. Hall, Senior Pastor

Church family –

I am excited to journey with you during this sacred season as we prepare ourselves to, once again, welcome Jesus into our lives!

For some of us, there is an empty chair around the table this year. For others, there is a new face. Some of us are excited to have some sense of normalcy to this season. This time of year can bring us a myriad of emotions in the midst of the hustle and bustle.

In whatever spirit you may find yourself, may you experience the Spirit as you read these devotions from our elders!

Together,

*Pastor Jonathan*
