I overheard the Gospel on Sunday. It happened to me a few times, actually. I want to highlight one of the times that it happened because it caused me to physically turn around to the point that I may need to go see my chiropractor.

My family and I love to serve during the Feeding in the Park Ministry at our church. We talk about it as a family throughout the week ahead of the event and the night after the opportunity to serve our neighbors.

There was a man who is *normally* on the outside of the tables. He *normally* comes through the line to be fed - physically and spiritually. *Normally*, his plate is overflowing with the panoramic options of food. However, this moment was not going to be the *norm*. Instead, it was going to be an exception. Please forgive me, I do not know his name. Perhaps that is the point - that person could be any of us. I share this because - this time - the man wanted to be on the inside of the tables. He wanted to feed others - physically and spiritually. He wanted to help others experience the overwhelming love of God and his neighbors.

It was fun to hear his friends comment about how he was on the other side of the table. He was proud to serve. He seemed to love it. I wanted to ask him about it. However, before I could talk to him, he was gone. Perhaps, I will get the chance to talk to him on Sunday, November 19, when we do the Thanksgiving

in the Park event.

Here is the point - many of us live one incident away from being on the other side of the table. It could be losing our job due to things outside of our control. It could be an unexpected medical bill or one that is not covered by insurance. We may be on the other side of the table because our car breaks down, which causes us to struggle to make it to work. I could go on and on. Then, we may be on the other side of the table. Part of why I appreciate this ministry is because I realize that I may be on the other side of the table one day because of something out of my control.

The tables that are set up in the park are communion. Pure and simple. Sometimes, we are on one side. Other times, we are on the other side. Sometimes, we serve. Other times, we are served. Regardless of the side of the table that you find yourself on at the moment, I hope that you will support this ministry of our church. *Normally*, you can overhear the Gospel!

Together,

*Pastor Jeth*

**THANKSGIVING  
OFFICE CLOSURE**

The church office  
will be closed  
on Thursday,  
November 23<sup>rd</sup> and  
Friday, November 24<sup>th</sup>  
for the Thanksgiving  
Holiday.

**10AM • SUNDAY  
NOVEMBER 19**

**“When Just-ish Isn’t Enough”**  
**SCRIPTURE: Isaiah 5:1-2 & 11:1**

Some of us have heard “Well, it is close enough.” Others have heard “Nobody will be able to tell the difference.” As we look at Isaiah 5:1-2, 7; 11:1, Pastor Jonathan will show us a play on words from Isaiah in his sermon entitled “When Just-ish Isn’t Enough.” Perhaps what we deem as good enough is causing pain for our neighbors and ourselves.

in support of  
 the interfaith food pantry

Every third Sunday is “Ingather Sunday” in support of North Hollywood Interfaith Food Pantry. NHIFP serves roughly 5,000 people each month and we are in need of wholesome, health-giving food. In addition to typical donations, we’ve created a handy wallet cutout reminder of special needs. Our next Ingathering is **THIS SUNDAY, November 19<sup>th</sup>**. Please bring your donations to the Narthex or the Church office. Thank you!

**cutout**

**this month**  
 the pantry is in need of:

 chilli • ravioli • non-condensed soups

**Remember, November 19<sup>th</sup> is Stewardship Sunday**

As you may know, it helps our stewardship committee plan for the upcoming year if you are able to notify us of your Intention to Give in 2024. This amount can, of course, be adjusted later, if needed. If you need an Intention to Give card, they can be found in the narthex. You can mail it to the church or turn it in via the offering plate. You can also submit this information confidentially and securely via our website at <https://www.fcnh.org/Intentions-to-Give>. We would greatly appreciate knowing this information by November 19 as we look to start implementing our Plan for Ministry and Mission (budget) for 2024!

Do Jesus' work this holiday season for those less fortunate! The local homeless population has doubled in the past few years and they are really suffering. The Human Needs Committee is looking for help feeding the homeless of North Hollywood on November 19<sup>th</sup> – the Sunday before Thanksgiving. We plan to feed at least 130 people. We request that if you donate a turkey or ham that it be COOKED.

**Drop off the following prepared foods on:**  
**SATURDAY, NOVEMBER 18<sup>th</sup> • 10:30am–1:00pm or**  
**\*SUNDAY, NOVEMBER 19<sup>th</sup> • 8:30am–11:00am**

**\*PLEASE HEAT SUNDAY MORNING DROP-OFFS BEFORE BRINGING TO THE CHURCH.**

**Lots of COOKED AND CARVED Turkeys and Hams; Side Dishes: cornbread stuffing, rice stuffing, vegetables, mashed potatoes, scalloped potatoes, yams, rolls, butter, mac & cheese, soup, pies (store bought ok), whipped cream, sodas & bottled water – or cash to purchase needed items**

Please call us and let us know what you are donating – this will help us to plan any shopping we may need to do in order to fill the gap in supplies.

Call Deborah Luster at 323.854.6707 or email [diluster@yahoo.com](mailto:diluster@yahoo.com) so we can add your item to our list, or with any questions.

HUMAN NEEDS

**BLANKET DRIVE THRU DECEMBER 10<sup>th</sup>**

The need for warm blankets and clothing is increasing as the weather turns cold. The Human Needs Committee regularly distributes donations at our *Lunch in the Park* events to those in need but the need often exceeds our supply. Please consider donating warm blankets or gently-used winter clothing by dropping off at the church during business hours or on Sunday mornings before the service. **Thank you!**

## GIVING BACK WITH HOME AGAIN LOS ANGELES

On Sunday November 12, 2023 the 2-5th grade Sunday school classes assembled 100 after-school snack bags and 31 backpacks filled with school supplies, candy and toys as Christmas gifts for Home Again LA. Every November, our Sunday school participates in some type of philanthropy project that gives back to those in our community. We are thankful for the blessings we have, and are grateful to be able to give back to others. Thanksgiving is two parts: being “thank”ful, and “giving” back. I asked the kids how they felt while they were assembling the gifts. They said it made them feel, “Happy.” I asked them how they thought the kids receiving the gifts would feel when they received them, and they said, “Happy.” I said when you give to others, it makes everyone HAPPY, the person receiving the gift as well as the one giving the gift. Sometimes just a kind word or a hug is enough to help someone out. I think it was a great hands-on lesson for the kids to experience. We had a merry time working together to help those in need.

 **Home Again LA's** mission is to end homelessness one family at a time. They assist families experiencing homelessness gain independence by transitioning into permanent housing and employment, with the support of our community. Since opening their doors in 2010, they have operated a 90-day shelter for homeless families with children. The program works in partnership with 27 local congregations as they focus on temporary shelter, meals, case management and housing. Families are provided up to 12 months of rental subsidies. Case managers work alongside families to set benchmarks that focus on stability. They offer community workshops focused on job development, financial planning, and life skills. Since 2010, Home Again LA has helped over 2,000 individuals that were living in their cars or on the streets get into permanent housing.

**SUGGESTED SCRIPTURE FOR THE MONTH OF NOVEMBER**

*I will praise the name of God with song; I will magnify Him with thanksgiving.* — PSALM 69:30B

*Offertory  
Meditation*

by Rodney Gould, Elder  
on 12 November 2023

I give to this church out of a very selfish reason. Because I need each of you.

30 years ago on November 8th, in Washington, DC, my first partner died of AIDS. It was decided to remove him from life support on a Monday morning. That Sunday, from the pulpit, Rev. William Howland, the senior minister at National City Christian Church, asked for prayers for me and Domenic Spagnola because he would likely be facing death the next day.

After the service I was overwhelmed by people who I knew and who I didn't know who came up and said they loved me and were praying for me and for Domenic. It was at that moment that I really understood how important it is to be in a loving faith community. To be engulfed by such warmth is something I will never forget.

So, I give to this church so that I will be here for you and that you will be here for me. Because when the chips are down and your back is against the wall, there is nothing better than someone saying they love you and they are praying for you.

James 5:16 says the prayers of the righteous can do a lot. I know it to be true.

## *Celebrating One Hundred Years*

FCCNH has had a relationship with Temple Beth Hillel that has lasted over 75 years. Our second church location, at Moorpark and Tujunga, had been used for some Friday night services after the Temple was chartered in 1946. Our location along with other valley sites were used for services until they purchased their Riverside Drive property in 1948. It is a relationship that still continues today. The two congregations continue participating in the North Hollywood Interfaith Food Pantry system. The Food Pantry was formed in 1983 by five women in the valley to help those in the East Valley community with needed food assistance. Temple Beth Hillel continues to be used as the storage and packing facility and FCCNH as the distribution center.

**OPERATION**  
*Santa Claus*  
2023

It's that time of year again when we roll up our sleeves for Operation Santa Claus, FCCNH's annual giveaway to underprivileged kids. Just like last year we will not be giving away toys in the Social Hall. Instead, we will give gift cards to the kids in every car that drives into our parking lot on the morning of **Saturday, December 16, starting at 7:30 a.m.** To that end, we're accepting donations of Target or Walmart cards in the amount of \$15 or \$20. If you'd like to donate cards (or a check made out to FCCNH with "Operation Santa Claus" written on the memo line), we would be most grateful. If you have any questions, please contact **Ken Wilson, 818-903-0850 or email him at [kwmedia@earthlink.net](mailto:kwmedia@earthlink.net).**

**A NIGHT OF  
MERRIMENT**  
**FRIDAY . DECEMBER 15**

Please mark your calendars now and join us for "A Night of Merriment." Donna Loyd and David Rigsby are organizing a night of food, fellowship and Christmas caroling on Friday evening, December 15th. We'll meet at the church for a light soup and chili dinner. But...we need YOU! We're organizing "teams" of drivers and carolers to visit some of our FCCNH church family or friends who no longer get out too much. If you know of someone who could use a visit and a Christmas carol or two, please see Donna or David. We need names of carol recipients as much as we need drivers and carolers. Santa's elves make ALL voices sound like choirs of angels on a night like this. Your presence is needed more than your Carnegie Hall-ready pipes! We hope you can join us! Call the church office if you'd like to drive, sing or both at 818.763.8218, or if you'd like to suggest some names to call upon this year! Merry Christmas!
