I get asked several questions when talking to someone about our congregation. One of the most common is "Can I just come and be myself?"

Our congregation is a safe place for anyone to come and be themselves. For some of our neighbors, they have been hurt by a church in the past, so they are wondering if FCCNH is different. For others, it may be that they went to a church in the past, but constantly found themselves having to reteach their children about the Bible because their previous church had different values.

As we hosted *Young Sheldon* this past week, I was asked if FCCNH was a place where anyone can participate in worship and be themselves. I assured them that although they may be recognized, they can be themselves. They did not have to be a character they played on a show. People are hungering for a sense of community and connection "at a time such as this." Nobody should have to wear a mask at our church which should be a foretaste of the Kingdom of God. People wear masks for various reasons - who they love, what they do for work, their personal history, etc. Jesus - likely overlooking a Greco-Roman theatre during his Sermon on the Mount - spoke about the danger of wearing masks while "performing" one's faith.

I firmly believe that FCCNH is the church that you had always hoped for but never knew existed! Thank you for helping to make it a reality for all of our neighbors!

Together,

*Pastor Jonathan*

***We Need to See Each Other***  
**TEXT: Acts 3:1-10**  
**Rev. Dr. Jonathan B. Hall**

We believe eye contact matters. This can be seen in a variety of ways. It is more difficult to turn down someone in sales if you have a visual connection with them. Some of us are significantly meaner to a telemarketer than we might be to someone right in front of us. Many of us will avoid eye contact with someone if we are trying to avoid them. We see that eye contact matters.

As we look at Acts 3:1-10, there is an interesting focus on eye contact. Why did Peter and John “look intently” at the man? Why did they say to him, “Look at us?” Eye contact matters. As we journey through the acts of the early church, may we, during this time, find ways to see one another. Pastor Jonathan’s message is entitled “We Need to See Each Other.”

**CHURCH KITCHEN NEEDS  
 BOWLS AND SPOONS**

If anyone has any earthenware bowls and/or stainless steel spoons and/or soup spoons that you are not using, the church kitchen would welcome your donations! We’d like to augment our supply as we are a little short on these items. Please call the office (818-763-8218) if you can help. Thank you!

We are a praying church. Meetings and gatherings generally begin and end with prayer. Each Sunday, in one of the more singular moments of our service, we say the Lord's Prayer aloud together. Praying for our church family is important to us.

Before texting and the internet, newsletters were the social media of their day. Our newsletters dating back to 1954 described church events and plans. More importantly, they brought news about happenings in the church family. Comings and goings, births, illnesses, and passings were noted.

Prayer needs were a regular part of each newsletter. Columns titled "In Our Thoughts and Prayers," told about illnesses and recoveries. People in the military appeared in "Remembering Those Serving Our Country." In "Our Deepest Sympathy" we learned about those we had lost.

The 1949 church yearbook described several prayer groups. To allow working people to attend, one met Wednesdays from 6 to 7 a.m. in members' homes. Those wanting coffee had to come before 6. The church office provided confidential prayer requests. Our present Monday morning prayer group grew out of that gathering. Concerns from many sources are confidentially lifted aloud in the Chapel. Members incorporate them each day into their prayer disciplines.

In 1952, the church family learned the power in corporate prayer when one of our members, Phyllis Wilkinson, contracted polio. She spent a year and a half in an iron lung at Rancho Los Amigos, away from her husband and children. Rev. Fish regularly brought her news of the church family praying for her. She returned home in 1954 with a portable respirator. Using the one hand she could move, Phyllis typed a note for the newsletter: "... [Rev. Fish] also told me about you, who were praying for me every day. I want you to know how much it helped when I was so sick in the iron lung and so terribly frightened. There were times when I was hardly conscious enough to pray for myself, but found myself saying, 'Please God, send an answer to one of the prayers from Church.' You carried me through with prayers when I couldn't possibly have done so myself. I'm so grateful to all of you..."

Phyllis returned to church, her wheelchair resting in the pulpit side aisle with the wall plug powering her respirator. After her husband died, church members took turns driving her in her specialized van. She later became an Elder and wrote meditations that were available for Elders who had to unexpectedly step in and speak. When she died in 1992, many said gratitude prayers for the lessons learned by her presence.

We hear often that "Where two or three gather in my name, there am I with them."\*\*

Indeed, collective prayer is an integral part of our church family. Equally important and abundant, however, are the prayers we say alone for someone in need, or the working prayers we say to hold loved ones close as we go about our days. Whether we pray alone or in concert, God is with us, and in us.

\*\*Matthew 18:20 New International Version

– The 100th Anniversary Team

## David Rigsby Announces His Retirement

David Rigsby announced his retirement on recently during choir rehearsal. His last Sunday with us will be September 15, 2024. He will be moving to Savannah, GA.

Of course, we thank God for David sharing his gifts at our church since January 1, 2006! We are grateful that he has given us six months to do the difficult work of finding a new Music Director. After Easter, we will be forming a search committee. Their first step will be to put together a questionnaire for our congregation to help us discern the desired gifts of our next Music Director. After receiving this information, we will formalize the position's details, share the job listing widely, and begin to receive applications.

David will be very busy until September 15. He will be retiring from his school at the end of the school year. David will be helping to lead Godspell at our church in August. Finally, he will be an integral part of our 100th Anniversary on September 8.

Please join us in thanking David for his service and the gift of time for our church to find our next Music Director!

Can you imagine a time without photography??

During the mid-1800s when photography became popular, some painters saw it as a threat to their livelihood as it could produce realistic images more quickly and accurately than traditional painting. Artists were afraid that painting would become a lost art.

However, others embraced photography as a new tool for artistic expression. Over time, the relationship between painting and photography evolved, with both mediums influencing and inspiring each other. Painting never went away and it did change artists. Details and emotions that the camera could not catch made artists more creative! As current technology changes, let's try not to be afraid. We can be better and more creative! God wants us to have faith that there is always change and He will always be available to guide us.

As always, there are many ways to reach us with your prayer needs.

On Sundays, there are cards in the morning bulletins. You can write your prayers on the back and put them in the offering plates as they are passed. You may also slide your prayer cards through the slot in the Prayer Cabinet near the drinking fountain outside the Chapel doors.

During the week, your prayers can reach us in several ways:

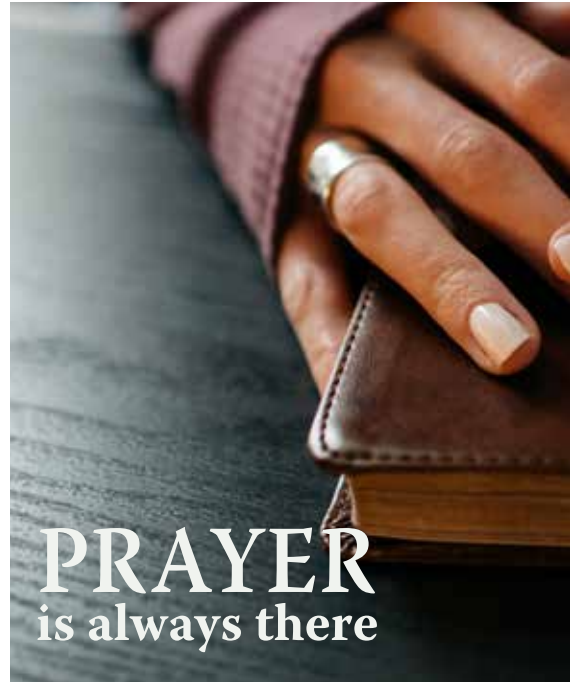

- Via email on the church website:

[www.fccnh.org/worship/prayer-requests](http://www.fccnh.org/worship/prayer-requests)

- Via phone call to the church office: 818-763-8218
- If you are at the church, prayer cards are available at the Prayer Cabinet outside the Chapel. Fill one out and put it in the cabinet slot, or drop it off in the church office.

Prayers received during the week in one of these ways will be emailed out to Prayer Group members. Unless urgent, prayers received on Saturday or Sunday will be compiled for the list given to members on Monday mornings.

The sole purpose of the Prayer Group has always been to pray for those in need. Prayers are lifted

aloud in the Chapel on Monday mornings, and then become part of the daily prayer discipline of our members. As always, all prayers that come to us are kept strictly confidential and are not shared elsewhere. 🌸

### **VACATION BIBLE SCHOOL (VBS)**

At Hero Hotline, kids are invited to learn from the heroes of the Bible! Our team of heroes will spring into action and explore the ultimate Hero Handbook - the Bible - to discover how all Heroes can follow the examples set by a cast of supporting Bible Heroes in stories from the Old and New Testaments, who work together to bring peace, build each other up, and share the great story of God's love for us.

As kids (called Heroes) experience these stories through music, drama and storytelling, games, arts and crafts, science, and even snacks, they'll learn that Heroes are called to Follow Jesus, Help Others, Work Together, Listen to God, and Show Grace! And, best of all, they'll be invited to answer this call at VBS, at church, at home, and in every area of their lives.

VBS is open to children who are ages 3+ and potty trained to 6th grade, and runs Monday, June 10th - Friday, June 14th from 9a-12pm. Aftercare from 12-3pm is available.
