Children's Corner — Sunday School

We talked about Noah's ark in Sunday school to go along with Pastor Jonathan's sermon. Because God made it rain for 40 days and nights, then gave us a rainbow promising never to flood the Earth again we did a "Make it Rain" experiment as well as a "Walking Rainbow" experiment. • The photos below are of those lessons and of some of the kids holding the baby chick that Pastor Jonathan brought for the children's message. They were so excited to get to touch and hold her.

Honey, Nugget, and Rose were some of the names they came up with for the baby chick.
